

## WSTMA Summer Field Day – At Oregon High School

June 30, 2015 (Rain date July 1, 2015)

The WSTMA has added a new event to our 2015 meeting offering! We are going to offer all members and guests our own Summer Field Day at Oregon High School and want to give you the opportunity to take part as a sponsor! This will be a great day for all that attend as you will be educating Turf Managers about leading technology in products, techniques, and equipment that impact our day-to-day management of Sports Turf surfaces. We will encourage attendees to demo any and all equipment that your company has to offer as they relate to the stations listed below.

### There will be 4 educational stations which will include:

- 1) Mound build (with clay products)
- 2) Irrigation / drainage (types, design/layout, etc.)
- 3) Infield skin maintenance (sample tools, equipment demo)
- 4) Grass / cultivation equipment demo (seeders, aerators, etc.)

### For Sponsorship Information Please Contact:

**Mr. Ron Novinska, Oregon Schools**  
**Phone: 608-576-0560**  
**Email: rjn@oregonsd.net**

### Station Sponsor's #1, 2, and 3:

- Cost = \$100 per company, we have room for up to (2) two sponsors for each of the three stations.
- Your product/s will be showcased at that station for education value
- Sponsorship includes 1 complimentary registration for the day.
- Cost of sponsorship may be exchanged for product donation.  
(Contact Ron Novinska for more information on product donations)

### Station Sponsor's #4:

- Cost = \$100 and we have room for up to (3) three companies sponsor this station.
- Sponsor companies will be allowed up to (2) two pieces of equipment to demo.
- Sponsorship includes 1 complimentary registration for the day.

### Lunch / Breakfast Sponsor's:

- Includes 1 complimentary registration fee per sponsor
- Cost is negotiable and dependent upon number of attendees.  
(Contact Ron Novinska for more details)

### Attendee's:

- Registration Fees will be kept to \$15.00 per person to help maximize attendance!

The Oregon School District did a complete first phase renovation of athletic fields in the fall of 2014. The fields were laser graded, irrigation installed and dormant seeded. The fields consist of a Soccer Stadium, practice soccer field and a Varsity Baseball field. A second phase (date-TBD) will renovate 2 softball fields; install a parking lot and a press box, with concession stand, and restrooms. This event is sponsored by the WSTMA and is hosted by WSTMA member Ron Novinska and his staff.

**If your company is interested in being a sponsor at one of the stations or are willing to help sponsor the breakfast or lunch please contact Ron Novinska for more information. SPONSORSHIP FOR THIS EVENT WILL BE OPEN TO WSTMA MEMBER COMPANIES AND WILL BE AWARDED ON A FIRST COME FIRST SERVED BASIS.**
